Some things NOT to DO
(Motivation Killers)

カー 16 Ways to Kill an Organization カー

1. Don’t attend meetings, but if you do, arrive late
2. Be sure to leave before the meeting is over.
3. Never have anything to say at meetings—wait until you get outside.
4. When at a meeting, vote to do everything; then go home and do nothing.
5. The next day find fault with your officers and fellow members.
6. Do not take part in the organization’s affairs.
7. Be sure to sit in the back of all meetings, so you can talk things over with another member.
8. Get all the organization will give, but give nothing in return.
9. Never ask anyone to join the organization.
10. Talk cooperation, but never cooperate.
11. Threaten to resign/quit at ever opportunity; tell others they are standing far too much.
12. If asked, always say that you don’t have time.
13. Never read anything about the organization—you might find out too much.
14. Never run for office. It is much easier to criticize than to actually do things.
15. If appointed as a member of a committee, never give any time to the committee—let the chair do it all.
16. Don’t ever do anything more than you have to.
