

Friend Stothoff,
 Go, class-mate and Room-mate;
 May blessings attend thee,
 May Honor and Virtue
 At all times commend thee.

May goblin vexations;
 As the "College Bells" toll,
 On the "men", "de", "gar" follies,
 Never trouble thy Soul.

One more comfort I would thee,
 In the dear maze of life;
 A happy, devoted,
 And prolific wife.

These are
 included the best wishes of yours,
 in Brotherhood,
 Jas. L. Boyd.
