THE ART OF URBAN ENVIRONMENTS

INSTALLATIONS AND PERFORMANCES THAT ENGAGE PLACES OF NATURE ART AND CULTURE IN TRANSFORMING THE POST-INDUSTRIAL AMERICAN CITY

ROUTE I.

BUSHKILL CORRIDOR

Cluster C: Silk Mill and North 13th Street Interchange of Route 22

- “Eco-Houses” are being restored using green standards developed by Lafayette College
- Gateway to the West Ward, Easton’s largest, most diverse, and most challenged neighborhood
- Late-19th century silk mill is part of a proposed 15-acre redevelopment site for a new live-work “creative” community
