Agenda for Feb. 26. 2018

CDR this FRIDAY!

What did you accomplish?

What are you demonstrating?

What are you going to do (each day before CDR)?

For IC team, do we have everything?

CDR proposed schedule:

```
14:00 - 14:15 Project Overview at AEC 429
14:15 - 16:00 Project Demonstration at AEC 400 and 401
16:00 - 16:30 Future plans and Q&A at AEC 429
```

CDR presentation

Each group will select a representative to talk (2-3 slides):

- Current state of your system
- Future detail plans to get 100% complete on your part of the system

Presentation slides due by Wednesday, during class time, Waseh and I will go over the presentation with each individual group.
