

CDR Next Friday!
37 Days to drop dead
10 Weeks to Competition

What was accomplished last week?

Deadlines for this week?

Plans for CDR

*Both Alumni and ME guys are coming to see the meetings.

** CDR Materials need to post on the website prior to the CDR dates – who will be in charge?

*** Purchasing deadline this week!

“I'd like to see live data from the packs and spinning motor being displayed on the SCADA screens, and I'd like to see a fully functional W21 cable demonstrated in operation in the dyno room.” – CDR Expectation

Anything else?
