

Plants for the Wall:

These plants have been chosen for the living wall because of their success in pots, colors, scents, and overall aesthetics. There is a mixture of both perennial and annual plants. The plants are listed below:

- ❖ *Bergenia cordifolia*
- ❖ Blackeyed Susan
- ❖ New England Aster
- ❖ Common Yarrow
- ❖ Geranium
- ❖ Mint
- ❖ Lavender
- ❖ Sage
- ❖ Lemongrass
- ❖ Coleus
- ❖ Petunia
- ❖ Caladium Cultivars
- ❖ Golden Sword Yucca
- ❖ Golden Creeping Jenny
- ❖ Japanese Pieris
- ❖ Blue Star Juniper

Plants for the Ground Area:

The plants chosen all have a variety of benefits, whether it is for attracting animal biodiversity, different aromas, or to help manage the slope's water problems.
