Call for Proposals:  
**Collaborations with Artists & Writers**

**Deadline:**  Varies (see below)  
**Amounts:**  $500/$1,500/$5,000 (see below)

The Lehigh Valley Engaged Humanities Consortium (LVEHC) seeks proposals for residencies of literary, performing and visual artists who have the Lehigh Valley and its peoples as their subject. Proposals are welcome from faculty members, local educators, and local cultural organizations to support the artistic collaboration of their choice. Unless otherwise discussed, proposed collaborations must occur in the fiscal year in which the proposal is submitted.

**Introduction to the LVEHC:**
Generously funded by a grant from the Andrew W. Mellon Foundation through June 2021, the Lehigh Valley Engaged Humanities Consortium (LVEHC) ([http://sites.lafayette.edu/lvehc/](http://sites.lafayette.edu/lvehc/)) fosters exploration of personal, historical, and community narratives that have emerged in the past half-century in the region using methods of the humanities and arts. The LVEHC is guided by a steering committee composed of representatives of a dozen Lehigh Valley academic and cultural institutions.

**LVEHC Main Themes:**
- The **diversity** of communities in the Lehigh Valley over the past 50 years.
- The changing nature of **work** in the Lehigh Valley over the past 50 years.
- The evolving **landscape**, environment, and sense of place in the Lehigh Valley over the past 50 years.

Underpinning all of these main themes is the value and process of story-making. We welcome proposals that center the themes above, highlighting community narratives and individual people’s stories, from the celebratory to the critical.

**Funding:**
- Funds will be distributed in two even allotments: one upon notification of award, and one upon completion of the post-award responsibilities.
- Funding must be distributed to a sponsoring institution who will manage the funds in conjunction with the awardee. If the awardee’s home or partner organization/institution is unable or unwilling to receive the grant funds, the awardee will be responsible for declaring the funds on their tax returns.
- Awardees will be responsible for retaining receipts related to grant expenditures.
- In addition to overhead, indirect costs, and capital costs (construction, renovation, equipment), the LVEHC Mellon Grant **cannot fund** food and catering expenses, venue rentals, projects in social sciences or STEM fields, endowment management fees, one-off conferences, and undergraduate travel, tuition, or financial aid.

**Application Process:**
- Submit a completed proposal to the Steering Committee co-directors via the [Proposal Submission Form](#) or by emailing LVEngagedHumanities@gmail.com.
- Applications will be reviewed by the LVEHC steering committee; responses can be expected approximately three weeks after proposal submission.
Proposals should contain:

- A 200-500 word proposal narrative, including a description of the proposed collaboration.
- An itemized budget outlining proposed expenses, using the LVEHC Budget Proposal Form.
- List of any collaborating organizations (including a letter of support from participating staff/faculty at collaborating organization);
- Anticipated impact on the proposed audience (students, community, etc.);
- Statement of how the proposed event aligns with the LVEHC themes (see above).

Considerations:

- Proposed events that align with the LVEHC Themes (see above) will be prioritized for funding
- Special consideration will be given to projects that enhance or connect with the activities of the Allentown Arts Museum, Easton Area Public Library, Karl Stirner Arts Trail, and/or Sigal Museum.
- If multiple proposals are received for an event on the same date, the steering committee may request that the date of event(s) be altered

Post-award Responsibilities:

A 250 word (one paragraph) reflective statement will be required within 30 days of the conclusion of the project. With the assistance of the grant coordinator, this statement will be developed into a blog post that will be posted on the LVEHC website and will also be used for grant reporting. The statement can be written in the first-person, should be accompanied by one or two photos of the author/s, and can include: a description of the project and process, reflections on successes/challenges, and/or thoughts on future research and/or teaching. These statements can be collaborative and offer perspectives from the different participating organizations.
